

# LOCAL NURSING CLINICS

## We are committed to making it easy to receive the care and support you need.

- Your nursing care is being provided in an accessible setting that helps you stay connected to the community.
- Your appointment will be scheduled at a time that is convenient for you. Daytime and evening hours are available, 365 days a year.
- Your specialized nursing services are provided by a team of caring and professional staff.
- Your nursing care will include teaching you and your caregivers to manage your care at home.

## What to bring to your appointment:

- Your health card
- Your medications (first Nursing Clinic visit and whenever there is a change to your medications)
- A family member or friend for support
- A parent or guardian if you are under the age of 18

Please arrive a few minutes early so your nursing services can begin on time.

## Supplies for your care:

If you need medical supplies for your care, these services will be arranged for you (there may be delivery charges).
