Purpose

Our overall goal is to provide a barrier free environment to persons with disabilities. The following multi-year plan builds on our previous work in creating an accessible environment, identifies our accomplishments to date and outlines the standards and deliverables that will be implemented over the next five years in our efforts to identify and remove barriers for people with disabilities.

In accordance with the requirements set out in the Integrated Accessibility Standard, Home and Community Care Support Services Waterloo Wellington (HCCSSWW) will:

- Review this plan on a yearly basis
- Post this plan on our website
- Report and update as required our progress of this plan on our website
- Provide this plan in an accessible format upon request; and
- Update this plan at least once every five years

Introduction

Home and Community Care Support Services Waterloo Wellington is dedicated to assisting people access the care they need by providing them with home and community health care services. Through our vision of Healthy People. Thriving Communities. Bright Futures, we realize the promise of quality care provision for our residents. Additionally, our values – Acting in the Best Interest of Our Residents' Health and Wellbeing are all reflective of our dedication to serve the patients of our diverse communities fairly and equitably. These values are representative of the culture of the HCCSS WW and our commitment to the public.

Board and organizational commitment

Home and Community Care Support Services Waterloo Wellington (HCCSS WW) is committed to providing a respectful, accessible and inclusive environment for all patients, employees, partners and public. HCCSS WW is dedicated to serving our residents in a way that allows them to maintain their dignity and independence. We are committed to meeting the needs of people with disabilities in a timely manner and will do so by preventing and removing barriers to accessibility and meeting the accessibility requirements and standards in accordance with Ontario's Accessibility for Ontarians with Disabilities Act (A O D A).

Background and context

In 2005, the Government of Ontario passed The Accessibility for Ontarians with Disabilities Act, with the goal of making the Province of Ontario Accessible by 2025. With this legislation, comes phased in accessibility standards that all businesses and organizations in Ontario must adopt and implement in order to ensure that people with disabilities have greater opportunity to partake in activities of daily life.

To help organizations identify, prevent and remove barriers to accessibility, the A O D A sets out accessibility standards which include:

- Customer Service
- Information and Communication
- Employment
