

**FULL-TIME WEEKEND/INTAKE AND HOSPITAL BACKUP
CARE COORDINATOR, SWIH2 – S0030/19**

Sarnia Site

NATURE OF THE POSITION

The Weekend/Intake and Hospital Back up Care Coordinator will be responsible for developing individual plans for service provision, based on patient needs, utilizing a multi-disciplinary team approach, to achieve optimal health outcomes. The Weekend/Intake and Hospital Back up Care Coordinator will be scheduled where needed by the Employer during the weekday shifts – either at Intake or Hospital backup. Hospital coverage will primarily be for short term illness.

STARTING DATE: As soon as possible
POSITION STATUS: Full-Time – 8:30 – 4:30 (Weekends and statutory holidays will be shared between this position and individuals in the float pool. The Care Coordinator in the W/I position will generally be required to work alternating weekends)
SALARY RANGE: Commensurate with qualifications and experience in accordance with the Collective Agreement

QUALIFICATIONS

- A Baccalaureate degree from a recognized university in a health-related field such as Nursing (and/or a combination of nursing education, training and experience), Occupational Therapy, Physiotherapy, Respiratory Therapy or Social Work (MSW preferred)
- At least two years of relevant work experience; and current registration with a college recognized by the RHPA
- Excellent interpersonal communication skills
- An oral/written proficiency with Canada's two official languages will be looked upon favourably.
- Must have own vehicle with valid Ontario Driver's License
- Must be able to operate a computer
