

## Share Care Council

Please indicate which topics are of the most importance to improving your health care experience.

(The rating would be on a scale between 1 to 8. For example:  
8 – very important, 4 – somewhat important, 1 – not important)

Topic	Rating
Caregiver Relief	
Your experience moving from hospital to home	
Your care with your family doctor	
Taking control of your own health (for example, health planning for long-term-care and end of life)	
Sharing your health record with your circle of care (doctors, nurses, pharmacists, care coordinators and others)	
Getting health and wellness education resources
