Long-Term Care Homes in North Simcoe Muskoka

*List of Homes and
Accommodation Rates*

Introduction

North Simcoe Muskoka CCAC has the responsibility of coordinating the accommodation of people in North Simcoe Muskoka's Long-Term Care Homes (LTCH). These homes are located across the region and provide a diverse range of specialized and personalized services.

All Long-Term Care Homes are licensed and regulated by the Ministry of Health and Long-Term Care, Residential Services Branch. The Ministry of Health and Long-Term Care also regulates the fees for Long-Term Care and the standards of service.

Long-Term Care Home Accommodation Cost

The Ministry of Health and Long-Term Care (Ministry) pays for the care you receive in a Long-Term Care home, but you must pay for accommodation, as shown below. The accommodation rates are adjusted periodically by the Ministry and are standard across Ontario. For the most up-to-date rates, please visit our website.

Rates in effect September, 2014 - subject to change.

ACCOMMODATION TYPE	DAILY RATE	MONTHLY RATE
Long-Stay Basic	\$56.93	\$1,731.62
Long-Stay Semi-Private		
- Older Beds	\$64.93	\$1,974.96
- Newer Beds	\$67.93	\$2,066.21
Long-Stay Private		
- Older Beds	\$74.93	\$2,279.12
- Newer Beds	\$80.18	\$2,438.81
Short Stay Respite	\$36.85	N/A

NOTE:

Newer Beds are beds classified as "NEW" or "A" according to the Ministry design standards.

Older Beds are beds classified as "B", "C", "up graded D" or "D" according to the Ministry design standards.

The cost for “preferred accommodation” (Semi-Private or Private) in Long-Term Care (LTC) Homes now varies according to whether the bed is within a newly built home or an older home or unit. For LTC Homes with both new and old units, you need to be prepared to pay the higher rate when you receive the bed offer.

Long-Term Care Homes cannot refuse admission to eligible individuals based solely on their inability to pay for basic accommodation.

Financial Assistance

If you do not have enough income to pay for the basic room, the Ministry can help you through a Rate Reduction that will bring the cost down to a level you can pay. The reduction is not available to people requesting Semi-Private or Private rooms.

If you wish to apply for a Rate Reduction, your NSM CCAC Care Coordinator will provide you with a Rate Reduction package. This package, along with current supporting documentation, must be completed prior to admission to a Long-Term Care Home. This completed package must be brought with you on day of admission.

If you cannot find your Notice of Assessment, you can call the **Canada Revenue Agency** at **1-800-959-8281** and request a new copy.

Applying for a Rate Reduction requires you to disclose only your annual yearly income. It does not include the value of your assets.

If a large portion of your pension income will be going towards payment for LTCH accommodation and would leave your spouse with little or no income, you can call the **Income Security Programs** at **1-800-277-9914** for further information.
