Free Professional Interpretation Services

- For Primary Care
- For Community Support Services
- For Mental Health and Addictions Services

Select health system partners and providers now have access to free professional interpretation services for patients. These services are available to patients wherever they live in Waterloo Wellington.

Interpretation services are available in person (in approximately 50 languages) or over the phone (in approximately 140 languages).

To arrange for interpretation services for your patients, please contact the Kitchener-Waterloo Multicultural Centre at:

519-745-2593
