Who We Are

Home and Community Care Support Services Central East is one of 14 Home and Community Care Support Services in Ontario that work within communities to connect you with quality in-home and community-based services. We can provide you with information, direct access to Home Care Contracted Service Providers, and many other comprehensive services.

Nursing Clinics

Home and Community Care Support Services Central East is pleased to offer nursing services in Nursing Clinics for ambulatory patients.

If your care coordinator assesses that you require nursing services and you are ambulatory, you will be referred to a Nursing Clinic.

A team of nurses at the Nursing Clinic will provide your treatment and will work with you and your family to achieve your goals, i.e., healing, etc. Our service plans are developed to promote independence for our patients and therefore we will provide treatment and teaching to you and/or your family member with the aim of helping you to manage your own ongoing care.

Benefits

- Booked appointment times
- Available parking at no cost
- Easy access and convenient location to other community services such as banking, shopping
- Wheelchair accessible

Locations

If you would like to change the location of your service, please speak with your care coordinator.

Note:

I.V. patients are to bring their pump and I.V. solutions with them to the nursing clinic.

Appointments

- Home and Community Care Support Services Central East Nursing Clinics provide nursing services 7 days a week, including holidays from 8:30 a.m. to 8:30 p.m.
- The nursing clinic staff will contact you regarding your appointment.

Please provide at least 24 hour notice if you are unable to attend your scheduled appointment to allow us to accommodate other requests. Should you miss two (2) consecutive appointments, your care coordinator will be happy to discuss your ongoing service plan needs and work with you on a resolution regarding missed visits.
