Hi Faadia,

Here's the French version. Main difference = titles and content are a bit longer than the English. Let me know if you're good with this to post.

Exceptional care – wherever you call home

Ontario continues to improve the health care system to give patients better connected care, focused on their needs. People needing care at home, school and elsewhere in the community, including long-term care, can call 310-2222 or 310-2272 (French). Learn more: ontario.ca/connectedcare.

Cellulaire : 905 938-2549

Des soins exceptionnels, peu importe où vous habitez

L'Ontario continue d'améliorer le système de soins de santé pour offrir aux patients des soins mieux connectés, axés sur leurs besoins. Les personnes qui ont besoin de soins à domicile, à l'école et ailleurs dans la communauté, notamment des soins de longue durée, peuvent continuer à composer le 310-2222 ou le 310-2272 (en français). Pour en savoir plus : ontario.ca/soinsconnectes.

Thanks very much Janice. Just want to make sure that if we're posting it looks professional and

formatted correctly. If it differs from the English a bit that's okay, just as long as it looks professional.
