

Guidelines for Use Form HIS 759

1. This Home and Community Care Services form is a communication tool between the Home and Community Care Support Services North West and the patient's primary care provider.
2. The form is completed when the primary care provider wishes to:
 - a. refer a patient for services in the community, and/or
 - b. communicate the current medical condition of the patient.
3. Once completed, the form is transmitted to the Home and Community Care Support Services North West office to initiate an assessment by the Community Care Coordinator. The second copy may be retained by the hospital or primary care provider's office for their records.
 - a. After regular business hours, or on the weekend, the form must be faxed to the Home and Community Care Support Services North West office (fax # 807-346-4625)
4. Upon receipt of a referral, the Community Care Coordinator must determine the patient's eligibility for services.
 - a. If the client is eligible for Community Care services, the Coordinator may:
 - i. Alter the frequency of treatment requested by the primary care provider, as indicated by circumstances,
 - ii. Arrange for teaching of the patient or caregiver
 - iii. Request an assessment from other internal disciplines.
 - b. If the patient is not eligible, the referral will be processed as a non-admit and the client may be referred to other health care services.
