Long-Term Care Homes in North Simcoe Muskoka

Home and Community Care Support Services North Simcoe Muskoka coordinates the accommodation of people in North Simcoe Muskoka's Long-Term Care Homes (LTCH).

These homes are located across the region and provide a diverse range of specialized and personalized services. All LTCHs are licensed and regulated by the [Ministry of Long-Term Care](#) (Ministry). The Ministry conducts inspections to ensure compliance with legislation and regulations. They also regulate the fees for long-term care and the standards of service.

Reports on LTCHs are available at publicreporting.ltchomes.net. For more information on LTCHs and other health service resources in **North Simcoe Muskoka**, call **310-2222** (no area code required) or visit nsmhealthline.ca.

Accommodation Cost

The Ministry pays for the care you receive in a LTCH, but you must pay for accommodation type, as described below. **The accommodation rates are adjusted periodically by the Ministry and are standard across Ontario. For the most up-to-date rates, please visit our website at healthcareathome.ca/nsm.**

The cost for “preferred accommodation” (Private) in LTCH now varies according to whether the unit is within a newly built home or an older home. For LTCH with both new and old units, you need to be prepared to pay the higher rate when you receive the bed offer.

Long-Term Care Homes cannot refuse admission to eligible individuals based solely on their inability to pay for basic accommodation.

Financial Assistance

If you do not have enough income to pay for the basic room, the Ministry can help you through a Rate Reduction that will bring the cost down to a level you can pay. The reduction is not available to people requesting Private rooms. If you wish to apply for a Rate Reduction, your Care Coordinator will provide you with a Rate Reduction package. This package, along with current supporting documentation, must be completed prior to admission to a LTCH. This completed package must be brought with you on day of admission.

If you cannot find your Notice of Assessment, you can call the **Canada Revenue Agency at 1-800-959-8281** and request a new copy. Applying for a Rate Reduction requires you to disclose only your annual yearly income. It does not include the value of your assets.

If a large portion of your pension income will be going towards payment for LTCH accommodation and would leave your spouse with little or no income, you can call the **Income Security Programs at 1-800-277-9914** for further information.
