Multi-Year Accessibility Plan

(2022-2027)

Introduction

In 2005, the Government of Ontario passed the *Accessibility for Ontarians with Disabilities Act, 2005* (AODA) with the goal of making Ontario accessible by 2025. With the legislation comes phased in accessibility standards that businesses and organizations in Ontario must embrace, and commit to meeting, so that people with disabilities have more opportunities to participate in everyday life. Home and Community Care Support Services (HCCSS) South East strives to meet accessibility and accommodation requirements as prescribed in the AODA.

Under the AODA, the following accessibility standards set requirements that are applicable to HCCSS South East:

- Information and Communications;
- Employment;
- Design of Public Spaces; and
- Customer Service.

Statement of Commitment

HCCSS South East is committed to treating all people in a way which allows them to maintain their dignity and independence. We believe in integration and equal opportunity. We are committed to meeting the needs of people with disabilities in a timely manner, and will do so by preventing and removing barriers to accessibility, and meeting accessibility requirements under the AODA.
